

PLYMOUTH

Inaugural Meeting

Friday 20th June

07:45 for 08:00 breakfast

Duke of Cornwall Hotel
(Hayward Room), PL1 3LG

Speakers: Frank Bennett (CTN Exeter co-founder)
Chris Cole (Cross Rhythms / Cornerstone Vision)

Frank Bennett has been a Christian for many years and is inspired by hearing people tell of what God has done in their lives and workplaces.

Along with Barrie Townsend he co-founded CTN in 2008. As well as being a coach, Frank worked for 30 years as a police officer and a key part of this time was as a leadership and management

trainer. Together with Barrie he has developed a Leadership and Management Training course, Destiny to Lead (D2L) based on Christian principles. Frank is also an Executive Council member of Christians Together Across Exeter (CTAX).

In the early 1980s, following a powerful conversion to follow Jesus, Chris Cole received a prophetic word that he was called to reach people for Christ through the media.

This call to media has been Chris' life's work (together with his wife Kerry) and God has used them to help pioneer Christian media in the UK. They are the founders

of Cross Rhythms and Cornerstone Vision and have worked in many other media and creative forms. Chris has been involved in the work of GOD TV for many years and today serves as a trustee for the ministry. Throughout Chris' working life he has believed passionately in collaboration of business and ministry wherever it can add mutual Kingdom benefit.

Please RSVP by Friday 30 May to Ian Pilkington, ian@cornerstonevision.com to book or with any queries.
